Exam Study Guides

Our training guides are written in plain English and embedded with practice questions. No nonsense here!

Online Exam Simulators

Practice makes perfect and our web-based program gives you four different ways to prepare for the exam.

Video Lectures

This engaging online training experience covers all the major concepts of the exam.

Audiobooks

Listen and learn while exercising, commuting, doing chores, or any time your hands are full!

Workbooks

Off the grid? Don't want to look at another computer screen, but need to study? Our Exam Workbooks are the perfect solution. Grab your pencil and work through multiple, full-length exams.

All Solomon study packages include:

- Easy to understand study guide
- Unlimited quizzes and exams
- Exam drill-down to identify areas of weakness
- Ability to take exams using the questions you missed
- Ask the Professor functionality
- Study schedules and Study tips
- Resource folder with supplemental info

"I passed the Series 65 this afternoon! Your online test simulation was terrific. Thanks so much!"
